

## About Me

I'm studying computer engineering  
at faculty of engineering  
Kasetsart University

I interested in programming and  
I am ready to learn new things

GPAX ( 5 Terms ) : 3.24

061-5233214

emmachatofficial@gmail.com

111/138 pattara private 2, samkhok,  
samkhok, pathumthani 12160

## SKILLS

- PHP
- C language
- SQL
- JavaScript
- Java
- LINUX
- HTML
- Python
- CSS

## OTHER SKILLS AND TALENTS

- Good at English language  
such as communicating
- Management Skills
- Creativity
- Critical Thinking
- Good at working as a team

### EXPERIENCE

#### Website about Meteorological *Kasetsart university* Oct 2023 - Nov 2023

I made the "Meteorological website" by using PHP, MySQL, HTML  
connect the database in PHPMysqlAdmin and then my website is  
able to add, update, delete and search for the data.  
website: 158.108.207.4/db23/db23\_094

#### Chatbot in LINE *Kasetsart university* Oct 2023 - Nov 2023

made the "LINE Chatbot" by using Python.  
I learned how to basically use every component of this  
project (LINE Developer, cmd, virtual environment,  
webhook, ngrok)

#### Robot competitive by Python *Kasetsart university* Dec 2022

I was a mentor for the contestants who guide them in  
coding their robots in Python.

#### SUDOGOOO *Kasetsart university* Aug 2022 - Sep 2022

made the project name "SUDOGOOO" by using Java  
It's the project about sudoku game that can choose level of  
hardness, count the time and drag and drop the number.

#### ZES Camp 14 *Kasetsart university* April 2022

joined software development camp (ZES Camp 14)  
I learned about JavaScript, HTML, CSS and Firebase and  
then created a project called "coach cares".  
It is a project for people who love exercise. This website  
allows you to sign up, log in, and record an exercise diary,  
select the exercise clip in the desired section and  
shopping
